

Interactive Training Guide on Digital Safety and Harassment Prevention

Interactive Training Guide

Comprehensive Compliance Solution for Malaysia's Digital Safety Laws

Three Laws. One Comprehensive Training Platform.

Why This Training Guide?

Online safety is everyone's business. As practically every business in Malaysia operates online today, the Online Safety Act that went into effect on January 1st, 2026 applies to virtually every organization and their employees.

This interactive training guide provides organizations with practical, step-by-step guidance on complying with three interconnected laws that create Malaysia's digital safety framework:

- Online Safety Act 2025 (Act 866) - Effective January 1, 2026
- Amended Personal Data Protection Act (PDPA) 2024
- Penal Code Amendments 2025 (Workplace Harassment & Doxxing)

What's Included in This Training Guide

Key Training Topics

Training Module	Key Learning Outcomes
Online Safety Act Fundamentals	5 key requirements, licensing obligations, deeming provisions
Harmful Content Categories	9 categories, priority vs. standard content, response timeframes
Content Moderation Framework	STAMP process, auto-moderation, human review protocols
PDPA & Biometric Data	Sensitive data handling, DPO requirements, breach notification
Workplace Harassment Law	Sections 507B-507F, criminal liability, doxxing offences
Board & Leadership Duties	Section 73 liability, due diligence requirements, attestations
